

Join Bendigo Mountain Bike Club

Whether you are a mountain bike fanatic, social rider or wanting to improve your mountain biking skills, the Bendigo Mountain Bike Club provides great opportunities to help you enjoy the benefits of mountain biking.

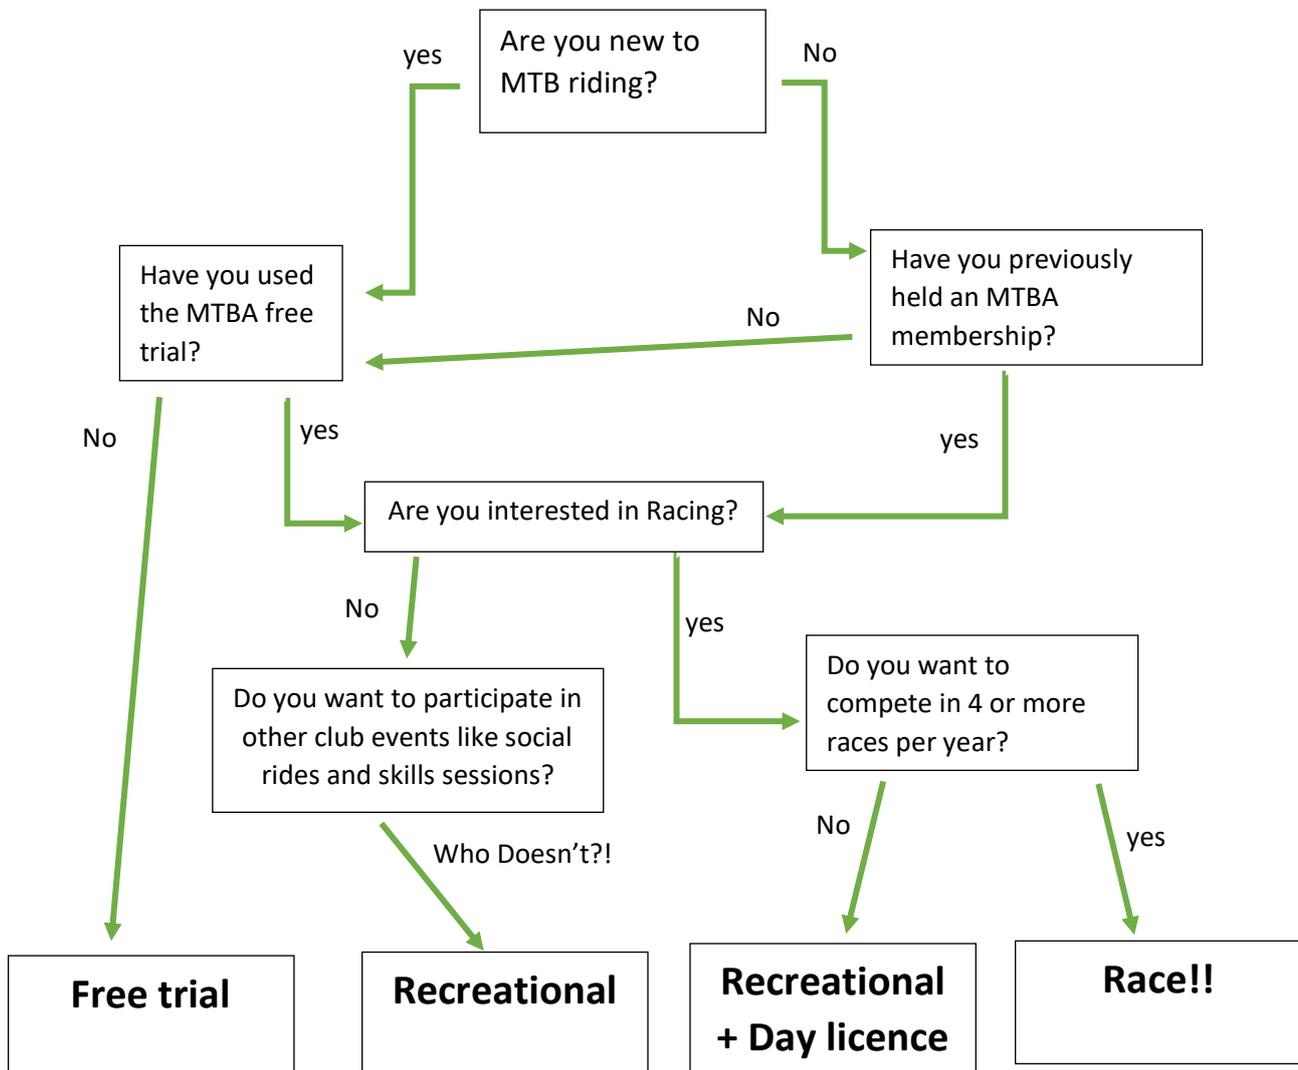

Joining our club is easy. First of all, you need to become a member of MTBA and then make sure you choose Bendigo as your home club.

Our club membership fee is only \$15 and is added to the cost of whichever MTBA membership type you choose.

Why Join?

Purchasing a membership supports your local club, provides accident insurance, saves you up to \$25 each time you enter an MTBA affiliated race and gives you access to the MTBA members reward program.

There are many types of MTBA memberships which are designed to suit every rider. Follow the flow chart below to see which of the 4 main membership types is most suited to you.

Free trial – 8 weeks

Try before you buy! The free trial membership is a great starting point for anyone who is new to mountain biking and is a great way to get involved in your local club events. This membership covers you for entry into all club events for 8 weeks, however you can only get it once, so use it wisely.

Recreational

This membership is best for people who want to enjoy club activities, social rides and skills sessions but don't want to race.

Recreational + Day Licence

This membership combo is for the Recreational riders who have decided to join in the fun of a race. A day licence can be purchased online from MTBA which will allow you to race for the date of the event. (Day licences can often be purchased along with your online event entry? – not sure if correct).

Race

Got a competitive streak? This membership allows you to participate in all MTB events and is recommended if you plan on competing in more than 4 races a year.

Special note for the families

MTBA offers special discounts for family memberships, so if you have 3 or more riders in your family make sure to check out the family membership option!!

If none of these options sound like you please feel free to contact us to discuss your options, or visit our website to view the full range of MTBA memberships available.
